For trees up to 5" caliper
Includes turnbuckles
- #10C-KIT #10C Earthwings** - each comes with 16' cable attached
For trees up to 7" caliper
Includes turnbuckles

#10C kit is pictured.

WHAT OUR CUSTOMERS ARE SAYING ABOUT EARTHWINGS...

"Earthwing tree anchors have it all: neat appearance, reasonable price, and easy installation."

"I like to specify Earthwings. They give a clean, professional look, and they get the job done."

"Earthwings are easier for us to drive and provide better holding power than wooden stakes."

"Since I started using Earthwings, I have never had a customer complain that tree stakes have marred the look of a project."

"Using Earthwing tree anchors has greatly improved the looks of our landscaping projects as compared to traditional wooden stakes."
